CAREERBUILDER.COM MAKES IT EASY TO COME BACK, AND EVEN EASIER TO BUILD YOUR BUSINESS.

There's no reason to beat around the bush – we value your business and want to help you grow it. CareerBuilder.com also wants to ensure that you have the recruiting tools necessary to compete with larger companies in both your industry and your area. We have enhanced our product offerings to level the recruiting playing field and provide you with an equal opportunity to attract top talent.

CareerBuilder.com features a complete recruiting solution unmatched by any in the industry. Our continual commitment to technology drives us to create products suited for even your toughest recruiting challenges. Our user-friendly solutions make it easier for you to find the highest quality candidates in the shortest amount of time. And since launching our \$200 million advertising campaign, we're seeing more job seekers than ever before.

JOB POSTINGS - CareerBuilder.com Job Postings give you the ability to create screener questions and receive more relevant resumes. Screener questions enable you to ask the "deal breaker or deal maker" questions, effectively raising the quality candidates to the top of the pile and saving you time.

IF YOU STILL DON'T FIND CAREERBUILDER.COM ATTRACTIVE AFTER READING ABOUT OUR LATEST ENHANCEMENTS, YOU'RE NOT FINDING THE TOP TALENT AVAILABLE TODAY.

RECOMMENDED RESUME (R2) MATCHING ENGINE - A patent-pending matching technology that enables employers to save time finding the right candidate for any given job. Once a job is given certain criteria, the context-sensitive engine finds candidates and sorts applicants based on the desired requirements to find the 50 closest-matching resumes that match a Job Posting or match another resume.
