## WE CAN'T BEAR THE THOUGHT OF YOU RECRUITING TOP TALENT WITH ANYBODY ELSE.

YOU DESERVE A PARTNER WHO OFFERS YOU A COMPLETE RECRUITING SOLUTION unmatched by any in the business. With CareerBuilder.com, you gain **instant access to cutting-edge technology**, and **exposure to qualified candidates** in the places they work and play most often. With CareerBuilder.com, you also receive more applications per job than any other recruitment site can offer.

Now, it's easier than ever for you to find the highest quality candidates in the shortest amount of time. And you never have to worry about finding an available customer service representative or hunting down a free online webinar, training session, and white paper; **our resources here for you whenever you need them.**

**JOB POSTING** – Use our free, customizable screener questions with your Job Postings – and start receiving more relevant resumes that ask the “deal breaker or deal maker” questions you really want answered.

**RESUME DATABASE** – Seamlessly filter through our more than 22 million active resumes by utilizing our many Resume Database features. Choose up to 48 different search criteria to find the best candidate for your position, and take advantage of multiple sorting and filtering options and our “saved searches” feature. **With 15,000 resumes added daily, CareerBuilder.com’s Resume Database is the most reliable in the business.** All of our resumes are fresh and posted by candidate choice.

**NEW: RECOMMENDATION ENGINE 4.0** – An enhanced version of our breakthrough (R2) **Matching Technology**. Recommendation Engine 4.0 does all the work for you, finding and sorting applicants based on your specifications to find the 50 closest-matching resumes to either a Job Posting or another resume.

**WE’RE ONE STEP AHEAD OF OUR COMPETITION... SO THAT YOU CAN STAY ONE STEP AHEAD OF YOURS.**

There are two ways to use the Recommendation Engine:

1. Upload an “ideal” resume – or a list of desired keywords, concepts and qualifications – into the engine -- and immediately view similar resumes within the database.
2. Link (either from a resume in the Resume Database or a Job Posting within the site) to see 100 of the closest-matching or most relevant resumes.
